

Beekeeping Taster

Sunday 8th August 2021

12.00 - 4.00pm

Have you ever thought of taking up beekeeping?

This is your opportunity to discover what is involved in beekeeping.

Our **Taster Session** will introduce you to –

- how bees work
- what beekeeping entails
- the fun and benefits

Topics include...

- What is a honey bee?
 - honey bees, bumble bees, solitary bees, wasps
- The honey bee home
 - types of beehives, hive components
- Managing the bees
 - essentials: basic tools, protective clothing
 - the beekeeping year
- Getting started in beekeeping
 - apiary set up, starter kit, ongoing costs,
 - planning/controlling increase

The experience includes...

...open hive demonstration

giving you the opportunity to get close up and acquainted with the bees

(Protective jacket & veil provided)

All this... for just £20 per adult

Children 12-16 free but every child must be accompanied by a paying adult

Venue: Thames Chase Forest Centre
Pike Lane, Upminster, RM14 3NS
